### *To all World Archery and World Archery Europe Member Associations*

Dear President, Secretary General,

On behalf of the Local Organizing Committee I would like to invite your country to the European Grand Prix 2021, first leg, which will be held from 16-21 March in Porec, Croatia.

This is our first continental tournament in 2021. Due to the pandemic, it is held a year later than the original date. The Indoor season was organized online, and it proved to be a good move. Still, socializing and F2F competing is the marrow of sports, and that is how we should continue. Archery, as an individual sport without direct physical contact, provides excellent opportunities to adhere to epidemiological recommendations to prevent the spread of the virus. Recent European championships in contact sports (Handball, Water Polo ...) and football at all levels, proves that our competition can and should be held.

We have already gained experience with the measures - from the mildest to lockdown, and it will not be a problem for us to comply.

The situation with Covid 19 is changing from week to week, and by mid-March, I expect a complete calm and a decline in the number of positives. Vaccination also makes its contribution.

Before starting the competition (two weeks), we will announce the latest recommendations, which will apply to the tournament. I know that several decisions and information are getting quite late, but I am sure you can understand the difficult situation we all try to manage.

All high-ranking archery events, like European Grand Prix, is very good opportunity for the final pre-Olympic setup, just one month prior to the Olympic tournament.

The Prize money offered to the winners is not negligible and I hope it will attract the attention of many archers and the best among them.

We are looking forward to welcoming you and your teams to Porec, Croatia.

Sincerely yours,

Mr. Darko Uidl  
President Organizing Committee
